OVERVIEW:

For travelers who have limited time, the Kailash Mansarovar Yatra by helicopter from Kathmandu is the best option.

The journey begins with a flight from Kathmandu to Nepalgunj, followed by a flight to Simikot. After immigration formalities, pilgrims take a helicopter to Hilsa, located on the Nepal–Tibet border.

From Hilsa, travelers cross into Tibet and drive to Taklakot (Purang). An additional night is spent in Taklakot for acclimatization, after which the journey continues toward holy Lake Mansarovar.

This route is considered the shortest and most comfortable way to reach Kailash Mansarovar.
